October 21, 2019

Dear Ouimet Fund Friends,

This time last year I shared that the Board was embarking on a comprehensive strategic planning process to enhance our mission. Our study examined all phases of our operations – Scholar and Alumni Programs, Club Relations, Development, staffing, Board composition, partnerships and more. The work took months, and I am deeply grateful to all who contributed. Today our entire Board of Directors, Staff and I are proud to announce that the planning process yielded what we feel is a superb vision for the future of the Ouimet Fund and Scholars.

To begin with, we are awarding \$2.5 Million in scholarships in 2019-2020 – a true Ouimet milestone! Our donors have created 56% growth over the last 5 years in the dollar amount that Scholars are

receiving for college – our average annual financial award is now \$7,471, which covers 52% of the financial need of our 468 Scholars. Additionally, the yield of our endowed scholarships continue to grow (now a total of \$860,000) and contribute 34% of our awards.

In addition to the financial help we provide to our Scholars and Alumni, we have embarked on a new outreach strategy to further assist with their trajectory in life. The first phase in 2019 featured networking events for Scholars and Alumni living near UMass Lowell, UMass Amherst, downtown Boston, New York City and Providence. We launched our first Career Fair, which featured participation from 30 companies for Scholars and Alumni to meet with our corporate supporters who highly value “Ouimet caliber” interns and employees. These initiatives, combined with our highly popular Dale Carnegie training program and other donor/Scholar events throughout the year, demonstrate our broad commitment to the Scholars and Alumni.

Since strong financial support from our club memberships remains critical to our efforts, we will be enhancing our communication structure over the next few years providing club members a better understanding of the significant impact they are making with their support of Ouimet programs – such as the Bag Tag Program and Golf Marathon.

We are also setting ambitious goals for the Annual Fund, endowed scholarships, and planned giving programs with an eye towards our 75th anniversary in 2024. While each of these areas demonstrated strong growth last year, your continued support will be instrumental to meet more and more of the financial need of the Scholars.

These expanded programs require careful allocation of resources, so we looked at staffing needs and how to best position our Board for coming challenges. Toward that end, we are recommending a restructuring of the Board to be more responsive and efficient.

As a final thought we had many discussions with our colleagues from the Midwest, the Evans Scholars Foundation, and will jointly fund two Ouimet Evans full tuition scholarships in the fall of 2020 for select caddies.

Our Ouimet Banquets - always an annual highlight – honored legendary golfer and NBC announcer Johnny Miller with our Francis Ouimet Award for Lifelong Contributions to Golf. Next year (April 2, 2020), we will welcome another great Hall of Famer, Tom Kite, as our honoree. As I write of these yearly highlights, I am reminded of the contributions of two special Ouimet alumni and former presidents - Steve Buckley and Charlie Fox – that the Ouimet family recently lost. Both played large roles in the evolution of those wonderful evenings as well as making great contributions to The Fund during their respective presidencies, including working with Dick Connolly and Denny Goodrich in launching the new era of Ouimet Banquets in 1997.

Lastly, I would be remiss to not use this opportunity to speak of our Ouimet staffing leadership change. Colin McGuire, a Ouimet Alumnus and long-time Associate Executive Director, will step up to the lead Executive Director role as Bob Donovan is retiring after 29 years with Ouimet. Please join me in congratulating both. (more about this transition on page 14.)

In closing, as your outgoing Ouimet President, it has been an honor to serve this great organization that helps so many young men and women across the state. The Ouimet story and subsequent Scholarship Fund have always had a special place in my heart, partly due to the historic connection to my home club of Woodland but more so through memories of my late father, Ray Blue, and so many other fine golfers and supporters who served this organization. Going forward, I look forward to continuing my participation as a volunteer and contributor alongside so many of you! Thank you very much for your support of the Ouimet Fund!

Warm regards,

James D. Blue II

2019 Ouimet Banquet honoree Johnny Miller sat with Dan Hicks for a memorable conversation.

Johnny Miller Honored at Ouimet Banquet

On April 11, the Ouimet Fund was thrilled to honor Johnny Miller with the 2019 Francis Ouimet Award for Lifelong Contributions to Golf. Johnny is a two-time major champion & 25-time PGA TOUR winner who also famously spent 25 years in the golf broadcast booth for NBC. It was an energetic and impactful event, which saw a sold-out audience of over 1,200 celebrate the Ouimet mission and the beginning of the golf season in Boston. Mr. Miller's longtime NBC broadcast partner Dan Hicks conducted a fireside chat interview with Johnny and Tom E. Curran of NBC Sports Boston served as the evening's Master of Ceremonies.

"We were so excited to have this year's honoree be the legendary Johnny Miller," said Jim Blue, Ouimet Fund President. "Johnny has been a champion in the golf world for nearly 60 years. To be able to honor him with the Ouimet Award, and announce the creation of the Laurence Otto Miller Scholarship in his father's name, just two months following his booth retirement, was a night our crowd won't soon forget."

As the central event in the Ouimet Fund's fundraising calendar, the dinner set the stage for another dramatic increase in need-based awards for 2019-2020. Mr. Blue announced that the goal for the fall is \$2.5 Million in scholarship assistance - which relieved approximately 50% of the total unmet financial need for 468 Ouimet Scholars!

ADDITIONAL SCHOLARSHIP SURPRISE

Banquet attendees were treated to an emotional conversation between Johnny and his longtime broadcast partner at NBC, Dan Hicks, during the "fireside" chat portion of the Banquet covering family, golf and giving back. Events preceding this segment of the evening were equally as exciting, as the crowd was treated to a rousing standing ovation for both Anna Hurley '20, and 2019 Connolly Award winner Tom Riordan '70. Tom, a Ouimet Alumnus, Board member and lifelong supporter of The Fund, received this prestigious

award with nearly 200 of his closest family, friends and business associates cheering him on. He spoke movingly about what the award, and a lifetime of connection to the Ouimet Fund, has meant to him.

Mr. Blue also added a surprise announcement for Tom, letting him know that the Board of Directors established a permanently endowed scholarship in his family's name using a portion of the proceeds from the Banquet. This scholarship fund grew as family, colleagues and friends made additional donations in 2019. Certainly an incredibly deserving honor for such a committed advocate for the Ouimet Fund!

Among the Banquet attendees were nearly 100 Ouimet Scholars. Pictured here is the group from The Ridge Club, with longtime Ouimet supporter and caddie mentor Bob Travers (top row center).

More than 1,200 guests packed the Sheraton Boston for a sold out 2019 Annual Banquet.

STUDENT SPEAKER

Student Speaker Anna Hurley '20 and her family pose with Johnny Miller following the 2019 Banquet.

Anna Hurley '20

Anna is an impressive young woman who has juggled a Psychology Major, a Business Minor, and playing goalie for the St. Michael's field hockey team – not to mention being involved in various other organizations at St. Michael's College. One organization of great importance to Anna is called Hope Happens Here, which promotes productive discussion about mental health. Anna understands this on a personal level and hopes to continue helping others who may face similar challenges. Anna has epilepsy, but it does not define her, despite having seizures disrupt her daily life since age 12. Through a terrific support system and team of doctors, she is committed to ensuring this condition does not dictate her future.

A longtime employee of The Ridge Club, Anna spoke about how she loved working there and how everyone treated her equally as a caddie and in the cart barn despite being one of the only girls. She effusively thanked her boss at The Ridge Club, Bob Travers, for always seeing her for her work ethic and dependability, not her gender or medical history. Anna proudly stated, "I can do anything the boys can do."

Following Anna's speech, Ouimet President Jim Blue announced that because of the donations received during the Banquet, Anna's senior year Ouimet Scholarship would cover 100% of her financial need - which left Anna, her family, and the entire crowd extremely emotional. This had never been done before and The Fund was proud to be able to support the 2019 Student Speaker this way. The night-of generosity was incredible, and we hope to be able to establish this as a new tradition.

Congratulations on a great speech and all your achievements, Anna!

Anna Hurley '20 inspired the Banquet guests with her story.

Tom Riordan

2019 Connolly Award Recipient

The Richard F. Connolly Distinguished Service Award was established in 2000 in honor of Mr. Connolly, a Ouimet Scholarship Alumnus, former President, and current Board Member and Trustee who has proudly served the Ouimet Fund for over 46 years. For the past 4 decades, he has been Chair and Co-Chair of the Francis Ouimet Memorial Tournament. He has also underwritten the production of the Richard F. Connolly, Sr. Trophy, the Ouimet Memorial's permanent trophy that is one of the most unique in golf. Mr. Connolly has been the driving force in starting the Francis Ouimet Lifelong Contributions to Golf Award Annual Banquets, and helping arrange the sponsorship of Morgan Stanley and other companies. He has also established an endowed Ouimet Scholarship in his family's name and helped The Fund in many other ways. The Connolly Award is presented annually in his honor.

Tom Riordan is a proud Ouimet Alumnus and has been one of The Fund's strongest advocates for many years. Growing up as a caddie at Wollaston Golf Club, he not only learned the work ethic that has made him so successful in all his professional endeavors, but also fell in love with the game that would be a huge part of his life. Tom played on the high school golf team at Catholic Memorial, and was captain of his college team at Boston College before deciding to pursue a career in the golf industry, where he served as the Head Golf Professional at New Seabury Country Club. After many successes in the golf industry, Tom took on a new challenge in the retail industry, making an impact for a number of brands before starting his own business, The Riordan Group.

Tom Riordan stands with Dick Connolly while accepting the Distinguished Service Award.

Throughout his career, Tom has always found time to give back to the game that got him started and to the Ouimet Fund. Tom's contributions to The Fund have impacted thousands of Scholars and come in many forms. After being suggested to the Ouimet Fund Board of Directors by his friend, Peter Maich, Tom has been a key member in all board activities, but most notably on the Banquet Committee and with Endowed Scholarship Programs. Tom's background in golf, knowledge of Ouimet programs and commitment to helping young people working in the game have made him a tremendous asset to the organization for many years. Thank you, Tom!

CLUB RELATIONS PROGRAM

Club Relations

Golf clubs across the state are the hub of all Ouimet Programs, and without their unwavering dedication to helping the young people working in the game of golf, The Fund's impact would be significantly diminished. Whether it be fundraising for the Golf Marathon or Bag Tag Program, attending the Annual Banquet or simply writing a recommendation for a potential Scholar, we cannot thank the clubs enough for their ongoing support.

BAG TAG PROGRAM

Since the inception of the Bag Tag Program in 1955, this tradition has been the backbone of all Ouimet fundraising programs and 100 percent of the Program's proceeds go directly to scholarships. There are currently 75 clubs that support the program, 26 of which have chosen to donate at a higher level (\$100 or more) and are recognized on the on the list (page 9) as "Ouimet 100 Clubs". All Bag Tag supporting clubs distribute these tags in the early spring, which allows members to display throughout the golf season as a sign of their generous support.

OUIMET CHAIR COMMITTEES

For many years, the responsibility of promoting all Ouimet programs, along with promoting the scholarship opportunities to potential Scholars, fell on the shoulders of just one volunteer "Ouimet Chair" at each supporting club. These dedicated volunteers take on the responsibility of being the main point of contact for fellow members, club leadership, young employees, or their parents on any questions or information regarding the Ouimet Scholarship process. In response to increased scholarship applications and requests from individuals looking to become more involved, the Ouimet Fund has begun rolling out a program to support our Ouimet Chairs by transitioning to a "Ouimet Committee" at each club. This will not only ease the burden on the lone Ouimet Chair, but also expand the group of committed volunteers with the goal of increasing engagement and participation at each of our clubs. We would like to thank all of the Ouimet Chairs and Ouimet Committees at our supporting clubs for all they do to help the young people working in the game of golf.

GOLF PROFESSIONALS, GENERAL MANAGERS & CADDIE MASTERS

At each club, we have a key person on the staff who works closely with the Ouimet Chair and others from the club's leadership to promote all the Ouimet programs. This is the person that will hire, train and mentor the young golf employees through college and beyond. We are thankful to have this key person at each of our clubs who helps to identify and realize the great potential in these young people and guide them to the scholarship.

Michael Zmetrovich

2019 Ouimet Chair of the Year

This annual award recognizes a person or people from a given club who has gone above and beyond in their duties as Ouimet Chair. They actively seek to engage and educate their fellow members on The Fund's programs and impact, while ensuring all eligible young people from their club take advantage of the opportunity. The recipient has a long history of being an advocate for the Ouimet Fund and our mission at the club level, but also work to bring individuals to The Fund looking to get more involved and make a larger impact through Lifetime Membership, Annual Banquet Sponsorship, Endowed Scholarship creation or involvement in other Ouimet Fund programs.

Michael Zmetrovich '90 and his son Oliver Zmetrovich '22 at the 2019 Golf Marathon.

The Ouimet Fund congratulates Michael Zmetrovich '90 of Tedesco Country Club for being selected as the 2019 Ouimet Chair of the Year! Michael is a member at Tedesco Country Club, a Ouimet Alumnus, and is incredibly passionate about the Ouimet Fund. Michael dutifully (and successfully) encourages the entire Tedesco membership to get behind the Ouimet programs at the club, including the Bag Tag Program, Golf Marathon, and growing Endowed Scholarship Program.

Michael's hard work is certainly paying off, as Tedesco is one of The Fund's top supporting clubs on an annual basis and the club has generously allowed us to host events on its beautiful grounds over the years. Michael takes great pride in encouraging the young men and women at Tedesco to apply for a Ouimet Scholarship, just as he did when he was in their position. Tedesco consistently has one of the largest rosters of Ouimet Scholars on an annual basis - boasting 21 this year!

Michael has also participated in the Golf Marathon for the past 22 years. For the last few, he has played with his son Oliver who is also a Ouimet Scholar. This year, he and Oliver raised over \$30,000 and were the top fundraising team. As Michael fundraises for the Golf

Marathon, he takes the time to have a face to face conversation with each member explaining the importance of this event and why he is passionate about playing.

We cannot thank Michael enough for his hard work and dedication to The Fund and we are so thrilled to present him with this award. Congratulations, Michael!

Ouimet Golf Marathon Remains Largest in the Country

Four players tee off at once, as golf traditions are set aside in the interest of playing as many holes as possible.

On August 5th, the Ouimet Fund hosted the 27th Golf Marathon, one of the most critical events on the Ouimet Fund schedule, at Juniper Hill Golf Course. Our Marathoners kicked off their morning bright and early as they rallied together to play 100 (or more!) holes in one day in support of Ouimet Scholarships. More than 40 participants gathered on a perfect day for golf, with sunny skies and a high of 82 degrees.

Each participant had the same goal when they teed off - to play as many holes as possible and raise critical funds for Ouimet Scholarships. Amazingly, more than 5,100 holes were played and our teams raised over \$380,000! Marathoners achieved this incredible milestone by fundraising all summer, sharing their stories at their clubs or within their social and business networks. As always, the Golf Marathon was absolutely crucial in allowing The Fund to award a record \$2.5 million in need-based scholarships this school year.

Ouimet Vice President Jim Moriarty '77 (center) cheers on marathoners John Reid '01 and his girlfriend, Kristin.

We would be remiss if we did not mention some of our top participants, which features longtime members of the Ouimet community. Tedesco Country Club's Ouimet Chair (and Ouimet Alumnus) Michael Zmetrovich '90 and his son, Oliver Zmetrovich '22 were again the top fundraisers again this year, and we thank them for many years of commitment to the Golf Marathon. Another dedicated Marathon team, Charles River Country Club, placed second in fundraising thanks to the hard work of Ouimet Chair Kevin MacLaughlan '93 and Marathoner Mike Gunderson '12. Marathoner Jack Hurley '22 and fundraiser Bob Travers from The Ridge Club placed third, which is just another great showing for a club and Marathoner who help this event year after year.

Watching our golfers play 100 or more holes in just one day is incredible. Participants meet new people, play stress-free golf, and have fun enjoying plenty of food, beverages and prizes throughout the day!

If you were not able to make it out to the Marathon this year, you are invited to join in on the fun in 2020!

Bob Donovan Retires After Leading Ouimet for 29 Years

Ouimet Alumnus Dick Connolly (left) stands with Arnold Palmer (center) and Executive Director Bob Donovan at the 1997 Annual Banquet.

Bob Donovan, who has been the Executive Director of the Ouimet Fund since 1991, has guided the organization through an extraordinary growth cycle. His accomplishments include the development of The Fund's Endowed Scholarship Program (which now exceeds 150 endowed funds) and The Fund's distinctive Annual Banquet. The Banquet has honored distinguished individuals who have devoted a lifetime to the game of golf, including Arnold Palmer, Jack Nicklaus, Gary Player and U.S. President George H.W. Bush. It has become the largest golf banquet of its kind in the country. After 29 years and thousands of Ouimet Scholars later, Donovan will begin retirement and the next chapter in his life.

"We would like to thank Bob for his 29 years of outstanding service as Executive Director. Under Bob's leadership the Ouimet Fund has grown and evolved in a tremendous way. His focus on our mission of meeting the unmet financial needs of our Ouimet Scholars was always his priority," said Jim Blue, Ouimet Fund President. "He has been devoted to The Fund and became the face of the organization."

A special retirement celebration was held for Bob with family, Directors and Ouimet friends from over the years in attendance. It was an emotional opportunity to recognize his mark left on the organization, to say thank you and for Bob to close his professional career chapter.

Bob Donovan (left) pictured with Ouimet Alumnus and dear friend, Tom Riordan.

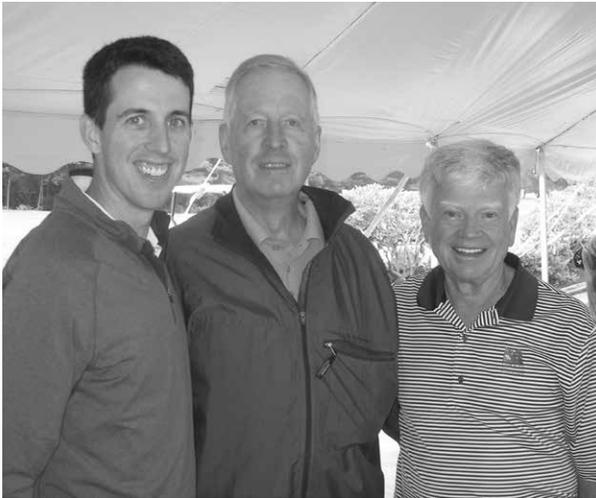

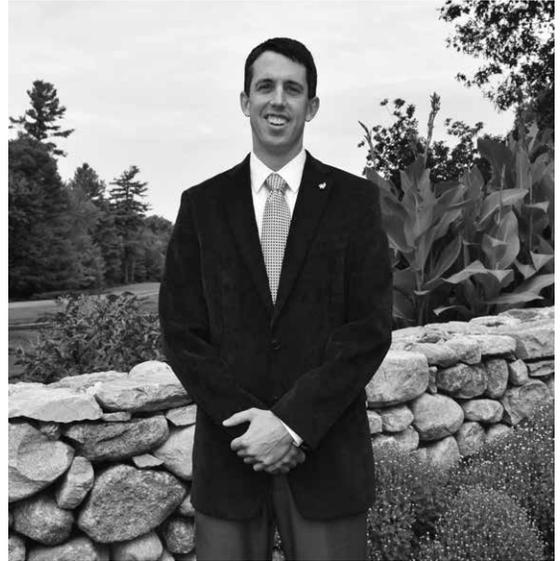

Former Ouimet Fund President, Denny Goodrich (right) pictured with Bob Donovan.

"The game of golf has given me and my family so much. Being able to work with the Ouimet Fund has given me the opportunity to give back to golf in such a special way. I leave feeling that things are in very good hands with Colin McGuire, the staff and the Board and that The Fund is poised to help even more kids in the future. Thanks to so many who have helped along the way, and thanks for the memories."

- Bob Donovan

Colin McGuire Named Next Executive Director

Incoming Ouimet Executive Director Colin McGuire '03 (left) with Board Member Bill Kelleher and retiring Executive Director Bob Donovan (right).

Following a vote by the Board of Directors earlier in the fall, the selection of Colin McGuire as The Fund's next Executive Director was officially announced. At the 2019 Annual Meeting, held at Woodland Golf Club, it became official as the Ouimet Alumnus and longtime Associate Executive Director succeeded the retiring Donovan.

McGuire, who grew up in Braintree, MA, attended Denison University as a Ouimet Scholar and graduated in 2003. He began his career with the Ouimet Fund in the fall of 2003 and has had integral and valuable roles of increasing responsibility with the organization. He has been involved in virtually every aspect of The Fund's operations and mission during his career. McGuire, his wife Cheryl and their two sons reside in Foxboro, MA.

According to Jim Blue, President of the Board of Directors, "Colin brings outstanding energy, leadership and institutional knowledge to the Executive Director role. He will spearhead the Ouimet Fund as we embark on our next stage of growth with a focus on our major gifts

program and engaging with our Ouimet Alumni and supporters. "As a Board, we are excited to have Colin lead The Fund. He is poised and ready to help us reach our lofty goals to meet the unmet financial needs of our Ouimet Scholars," concluded Blue.

"I want to thank Bob Donovan for his tremendous years of leadership. He was someone who took a chance on me in 2003 and has led our organization on an amazing period of growth." said Colin McGuire. "I look forward to working alongside my passionate colleagues and countless loyal volunteers for years to come."

"I am honored to be selected as the next Executive Director of the Ouimet Fund. It was a special moment to be named a Ouimet Scholar in 1999 and little did I know then, it was going to mark a significant turning point for my future. Serving the Ouimet Fund continues to be a passion that's fully integrated into my life and family. I am excited to serve in this new capacity and help write the next amazing chapters for our Ouimet Scholars!"

Alumni Community

Scholars, Alumni, and supporters network at Rhode Island reception (pictured above).

The Ouimet Fund is proud to report another year of growth in giving and event participation among our Alumni! Our Ouimet Alumni Community is more than 6,000 strong across the country, and the reason we continue hosting more Alumni events is because of the increasing Alumni engagement we see each year. In 2019, we were thrilled to provide multiple networking receptions free of charge to members of our Alumni Community, listed below. Thank you to those who attended, and we look forward to seeing more of you in 2020!

ALUMNI COMMITTEE

The Ouimet Alumni Committee continues to help the organization grow through fundraising and stewardship outreach, Alumni events, and networking opportunities. This Committee is the driving force behind the improvement of the Alumni Community, and we thank the devoted members of the Committee!

HOW YOU CAN GET INVOLVED

The Fund is thankful to have so many generous Alumni giving back through financial contributions, and the Alumni Fund has grown more than 100% since 2013 as a result of this! However, there are more ways to get involved besides contributions to the Alumni Fund. Please contact Thomas Murphy, Manager of the Alumni Committee, at Thomasm@ouimet.org with any questions or suggestions. Thank you!

Green & White Society

ABOUT THE GREEN & WHITE SOCIETY

The Green and White Society was founded to encourage graduating Ouimet Scholars to begin giving back to The Fund which helped them, and to pay it forward for future Ouimet Scholars who need assistance. Here, you will see the names of the Ouimet Scholars, now Ouimet Alumni, who personally contributed and have joined the Society. We applaud these young men and women who can now experience the pride of giving back. Thank you, and congratulations on your graduation!

Scholarship Application Process

How do applicants begin?

- Requests for applications can be made at www.Ouimet.org/app or by contacting Director of Scholarships, Michelle Edwards at MichelleE@ouimet.org.
- The December 1st deadline is a hard deadline for students seeking Ouimet Scholar status/scholarship award for the following school year. There are no exceptions, so don't miss a year of eligibility by failing to submit all the necessary forms to the online application portal.

Who becomes a Ouimet Scholar?

Scholarship applicants are first judged across a wide range of categories on a "point scale." These categories include academic achievement and leadership, school/community activities, the applicant interview with 4-5 Ouimet volunteers, essays, character and integrity, service to golf and the multiple recommendations received in the application.

How are monetary Ouimet Scholarships determined?

The certified financial need of the Ouimet Scholars is analyzed through tuition costs, college grants and the estimated family contribution through the submitted CSS and FAFSA forms. Ouimet Scholarships are need-based and can be renewable for four years. Beginning in 2018, Honorary Scholars were awarded a nominal "Book Award" to assist with the expenses of college, and to show that their efforts working in golf and applying to be a Ouimet Scholar were appreciated.

Scholarship Eligibility Requirements

- ✓ **Sign Up and Apply Online!**

Endowed Scholarships Continue to Grow

Tom Riordan and family celebrate the creation of The Riordan Family Scholarship.

The Ouimet Fund has a full range of permanently endowed scholarships. Each of these awards has been funded by contributions from individuals, groups or families and is named after an individual or organization who is or was deeply committed to golf and the importance of higher education. Each year, recipients of the Endowed Ouimet Scholarships receive additional “surprise” funds in the middle of their fall semester above and beyond their fall/spring award. Students are also able to personally thank the endowed donor in a number of ways and the donor receives an annual report on the status of their investment as well as the success of the Scholar they are investing in.

Listed on the following pages are the 155 Ouimet Endowed Scholarships, including newly created ones through September 2019. The total funds in the Ouimet Endowed program currently surpasses \$18 Million. This is a very important piece of the scholarship pie, as it accounts for approximately 34% of total scholarship dollars awarded each year.

Endowed Scholarships, which are created with a commitment of at least \$50,000, may be funded over 1-5 years. The program offers the donor the ability to tailor their gift and the resulting named award to suit their philanthropic goals. Upon reaching the minimum balance, a 5% draw on the principal is made each year toward scholarships. The additional awards are made to the selected student and there is an opportunity for the donors and recipients to meet at our annual Investing in Lifetimes Reception. If you have any questions about whether an Endowed Ouimet Scholarship is right for you or your family please feel free to reach out to Colin McGuire at the Ouimet Office at 774-430-9097.

Bob and Sally Croce mark their creation of their endowment at the Investing in Lifetimes Reception.

Ouimet Endowed Scholarship Brochure

The Ouimet Fund has a special annual Endowed Brochure which showcases the endowed program. Endowed scholarships continue to expand and become an even more important part of our overall strategic growth. Endowed creators and donors take great pride in the publication which includes a description and photo of each endowed honoree along with a listing and photo of each annual recipient. The Brochure includes information about how these endowed awards can be established and we welcome inquiries about the program. For more information on each of these awards and the 2018 - 2019 recipients, please refer to our brochure, “Investing in Lifetimes,” which can be found at www.Ouimet.org/endowed.

Student Speakers Christopher and Daniel Hughes '20 caught up with Ouimet Director Greg Galius.

Scholars and Donors Connect

The Fund hosted its 17th Annual Investing in Lifetimes Reception on June 18th at Wellesley Country Club. More than 200 Scholars, Alumni & endowed scholarship creators gathered to celebrate this great program. This is one of the most special events of the year, as supporters can meet face to face with the kids they support.

This year's speaker was Duffy Brent, a Ouimet Fund Board Member, endowed scholarship creator and longtime supporter of The Fund. Duffy shared the importance of giving back to young individuals by supporting their education, so they can have a brighter future. The Fund was also thrilled to feature the creation of two new scholarships, The Riordan Family Scholarship and the Bob & Sally Croce Scholarship. We also got to hear from the Hughes brothers class of '20, Christopher and Daniel who are both seniors at Loyola University - Maryland. They expressed what the Ouimet Fund means to them and their family and how grateful they are to be Ouimet Scholars.

2019 Ouimet Career Fair

Scholars and Alumni met face to face with company representatives at the Career Fair.

On September 30th, The Fund hosted its first annual Ouimet Career Fair at the Boston Marriott Quincy. Our staff, committees and Board of Directors are always looking to increase the benefits of being a Ouimet Scholar or in the Alumni Community, and this event was one we had on our radar for a while. We were thrilled to have thirty companies represented at the Career Fair, from Fortune 500 companies to local start ups, and more than 150 Ouimet Scholars & Alumni registered to network with these companies. The Ouimet Community represented themselves well and made positive strides in their professional careers, and our company partners were blown away by the talent they interacted with.

The feedback from the event was overwhelmingly positive and we're thrilled to say we have already begun hearing of job offers and internships for the fall as a result. We look forward to an even larger event in 2020!

Richard Sullivan

*2019 Denny Goodrich
Honorary Ouimet Alumnus
Award Recipient*

The Francis Ouimet Scholarship Fund renamed its "Honorary Alumnus Award" after Denny Goodrich when he retired from the Ouimet Fund's Board of Directors in 2009 after 37 years of service. Mr. Goodrich, of Dedham Country and Polo Club, was the inaugural recipient of the award in 2003 and also the Ouimet Fund's Richard F. Connolly, Jr. Distinguished Service Award's awardee in its debut year of 2000. For 13 years, he served as the Vice Chair of the Ouimet Fund's Annual Banquets and as Ouimet Fund President from 1990-1992. Denny is the epitome of a Ouimet Alumnus, and this is a special way to always remember his immense contributions to The Fund.

Denny Goodrich

The Sullivan Family. Pictured left to right: Karan, Dawn, Ann, Richard, and Matthew.

The Francis Ouimet Scholarship Fund's Alumni Committee awarded its 2019 Denny Goodrich Ouimet Honorary Alumnus Award to Richard Sullivan, a long time Board Member who has helped the Ouimet Fund in many ways over the years.

Mr. Sullivan, a member of Newton Commonwealth Golf Course, first became acquainted with the Ouimet Fund in the mid 90s when he began playing in annual Ouimet outings. He proudly paired with Jennifer Murray to capture the net division of the Bill and Gitty Scheft Husband and Wife/Mixed competition in 1996.

In ensuing years Mr. Sullivan became a champion of public golf involvement with The Fund, serving in a variety of roles with the Club Relations Committee including often standing on first tees to sell bag tags for Ouimet.

He is, however, more generally known for his many years of contributing his photography at a wide variety of Ouimet events. You will see many of his shots in this publication and online. He is often one of the first people at the Ouimet Golf Marathon, our outings, receptions, and Annual Banquet. A gifted storyteller, he brings his warm personality and humor to events and has been known to wear his specially made "VP of VP" name tag which he explains means, Vice President of Volunteer Photography.

"There are many ways a Director or a Ouimet Fund Supporter can contribute to The Fund. Richard is always there for us, knows how important it is to capture Fund history, and promptly gets his shots to us on site so we can share them. His efforts are invaluable and greatly appreciated. We are proud to recognize him for all he has done," said Colin McGuire, Ouimet Fund Executive Director.

The "Honorary Alumnus" designation seeks to acknowledge that there are many people who have been important to the Ouimet Fund and/or the game that either did not need assistance or did not apply for assistance when they went to college. The "service to golf" or great involvement with the game could be as a volunteer, as their career, or possibly as a competitor. The candidate must have been generous in their support of the Ouimet Fund, either by contributing financially or by volunteer or exceptional professional service.

Ouimet Continues Support of Inner-City Programs

The Ouimet Fund is deeply committed to developing scholars from Inner City areas and is proud that two special initiatives are producing Ouimet Scholarship recipients.

FIRST WORCESTER GREEN HILL INNER CITY SCHOLARS ANNOUNCED

The latest success comes from an effort in which we partnered with a group of community organizations, local funders and the Green Hill Municipal Golf Course to re-ignite the caddie program at Green Hill through a unique new initiative starting in 2016. Green Hill golf professional Mathew Moison oversaw the program through which nearly 50 young men and women benefitted from summer employment, exposure to life beyond their own neighborhoods, and most importantly, life skills and professional experience unique to the game of golf. This success was, in great part, due to the partnership forged with Green Hill Municipal Golf Course, the Youth Connect Collaborative, the City of Worcester, and funders including the University of Massachusetts Memorial Healthcare Community Benefits Program. All are proud to see the first two Ouimet Scholarship recipients emerge from the newly re-instituted program. A need-based Ouimet Scholarship can be worth as much as \$75,000 over four years, and can change lives.

Here's some background on the two Green Hill Scholars:

Maiah Lester is attending Loyola University of Maryland after working for two years at Green Hill. Maiah was a member of her high school varsity field hockey team and has been dancing since the age of 3 and is looking to continue to dance in college. She was actively involved in Habitat for Humanity, Amnesty International and the Black Student Union. She also volunteered at the Department of Children and Families and at Saint Peter's Parish Food Pantry.

Jahvon Kelly is attending Johnson and Wales University and is interested in their Culinary Arts program. In addition to his two years at Green Hill, he was also employed at the Boys & Girls Club of Worcester. Jahvon's high school activities included being part of the International Baccalaureate program where students think, learn and behave in an international setting. He was a member of the Varsity football and volleyball teams in high school and was the basketball team manager. Jahvon also participated in an annual community-based event called Hope for Worcester and was a member of the Youth Against Homeless group at his school.

BOSTON GOLF MANAGEMENT PROGRAM REMAINS STRONG

The Ouimet Fund is also proud to celebrate its 22nd year of awarding scholarships to inner-city graduates of the City of Boston Golf Management Program at Franklin Park and George Wright Golf Courses. Ouimet staff, including Director of Scholarships Michelle Edwards and Executive Director Colin McGuire, visited with prospective students at George Wright and Franklin Park. The goal of the meeting was to encourage the kids to take advantage of their eligibility, and apply for a Ouimet scholarship.

The Golf Management Summer Program is open to high school students from Boston and its neighborhoods (Dorchester, Jamaica Plain, Hyde Park, Mattapan, Roslindale, Roxbury, etc). Over 149 Boston students have benefited from this program, and have received over \$1.6 Million in Ouimet scholarships.

Make a Lasting Impact Through Planned Giving

Eddie Lowery caddying for Francis Ouimet in the 1913 U.S. Open.

The Ouimet Fund is pleased to honor, as members of the Eddie Lowery Planned Giving Program, those individuals who have made a future commitment to The Fund through an estate gift. Planned (or bequest) gifts naming the Francis Ouimet Scholarship Fund as beneficiary through a will, trust agreement, life insurance policy or other deferred gift, such as a 401(k), provide a vital resource for our scholarship aid. Making a gift to future generations of Ouimet Scholars by including the Ouimet Fund in your will or living trust is simple, easy, and we can help. Bequests will not alter your current lifestyle and can always be modified to address your changing needs. While we offer the opportunity, as a donor, to become more publicly engaged with our Scholars and friends, we can also work with you to ensure your preferred level of privacy. In a will or living trust, you are able to meet the needs of your loved ones first and still include Ouimet in your plans. These gifts can be specific, contingent or residual. You may also realize tax benefits by naming the Ouimet Fund as a beneficiary of a retirement plan or insurance policy. Ideal planned giving program participants have a deep affinity for golf, young people and education. Donors will receive the satisfaction that comes with realizing your goal of helping young people attain their college dreams and helping to set them on stable footing following graduation.

Ouimet Outings Bring Supporters Together

Ouimet Scholar Adam Linsky '20 addresses crowd during the Spring Outing at Kernwood Country Club.

We were fortunate to be at three of our top supporting clubs in 2019 and enjoyed successful days of golf and networking in support of The Fund. At each outing we host a variety of participants, from Banquet sponsors, to Ouimet Lifetime Members, to Endowed Scholarship creators, and more. Close friends of The Fund like Board Members, Ouimet Chairs, and Alumni also regularly attend, which allows us to have a close, but growing, community.

The outings are a great way for longtime supporters to come together, as well as introduce new Friends of the Fund and show them who we are and what we do. To learn more about future events, please visit Ouimet.org or contact Jeff Murphy, Associate Director of Events & Club Relations.

OUIMET FUND OUTING – KERNWOOD COUNTRY CLUB

Our outing season kicked off at beautiful Kernwood Country Club in Salem, MA. A huge thanks to our hosts, especially PGA Professional Frank Dully, Ouimet Chair Scott Sagan, and the entire Kernwood membership, for welcoming us to their facility. In addition to the perfect day on the course, attendees had the opportunity to hear from Ouimet Scholar Adam Linsky '20 and most recent Ouimet Chair of the Year, Michael Walker. Michael accepted the award on behalf of himself and Co-Ouimet Chair Kathy Guillard. He credited the entire Cape Cod National membership for the success of the Ouimet Programs at the club, which in addition to being a "Ouimet 100" supporting club, now have 42 individuals who are Ouimet Lifetime Members.

Prior to the exceptional speaking program, Kernwood's tricky greens proved to be a real test for all players in the field. Coming in first place in the gross competition with a score of 70 was the team of Paul Butler, Mark DiFiore, Brian O'Neil and Thomas Murphy. The net winners from neighboring Tedesco Country Club were George Dhionis, Peter Frasca, Paul Mattera and Doug Doben.

OUIMET FUND FALL PRO-AM OUTING – WOLLASTON GOLF CLUB

It was a special day at Wollaston Golf Club for the third consecutive sold-out crowd at the Ouimet Pro-Am. NEPGA Professionals from supporting clubs across the state paired with other Ouimet Supporters for one of the most popular events on the schedule. A big thank you goes out to the twenty-five Professionals in the field for all that they do for The Fund, and also for making it a special day with a competitive field.

Ouimet Supporters teed it up at Wollaston Golf Club. Pictured left to right: Andy McCormick, Jack Laurendeau, Gene Crowley, Doug Errhalt, and Ken Duane

We received many compliments about Wollaston, specifically mentioning the food, service and golf course conditions. Thanks to everyone at Wollaston Golf Club for hosting us at their brand-new clubhouse, and specifically Head PGA Professional Jeff Martin, General Manager Charles Grandon, Event Manager Sarah King, Ouimet Chair Terry Kennedy and Club President Jim Ferrera for all of their efforts in making this a perfect day for the Ouimet Fund.

The post-golf presentation turned out to be incredibly unique and great example of the Ouimet Community coming together in support of each other. First, the crowd heard from Ouimet Scholar Brian Bloom '20, who thanked everyone and commented that without the Ouimet Fund, affording college would not have been possible. Next, attendees had the opportunity to hear from 2019 Ouimet Chair of the Year and Head Professional at Oakley Country Club Scott Johnson, as well as the 2019 Connolly Award Winner Tom Riordan. Both shared emotional stories of their introduction to The Fund along with their commitment to continuing to help the young people working in the game. As Tom concluded his speech, he recognized Scott Johnson for his efforts as well as, on a personal note, introducing Tom's son, Sean, to the game of golf and giving him his first lesson at Wollaston Golf Club.

Prior to the presentation, 110 golfers took on the challenging layout at Wollaston. Congratulations to winners of low gross Chris Young, PGA, Bo Kimyachi, Kevin Carbeau, Dan Magaletta & Richard Wright, as well as the winners of low net Bob Green, PGA, Brian Cadigan, Dan Sullivan, Bud Sumner & Pete Kelly. PGA Professional Jeff Martin won (68) low gross for the professionals, followed by Andrew Stolze (69), Zach Sweet & Scott Johnson (74).

2019 ANNUAL MEETING AND GOLF OUTING

The Ouimet Community returned to Francis' home course, Woodland Golf Club, on October 21st for the Annual Meeting and Golf Outing. As always, we were treated to a special day at Woodland, and were fortunate to have a perfect fall day on the course. Thanks to our host Ouimet Chairs Jim Blue and Scott Adler, as well as Head Golf Professional Ted Griffin, General Manager Steve Kohr and the entire Woodland membership for welcoming us to their beautiful facility. Along with a perfect day of weather on a pristine course, we enjoyed incredible food and service from the clubhouse and Pro shop staff.

Ouimet Alumnus Chris Rumul '06 pictured with his wife Beth.

After the golf, the business meeting, and the presentation of the Denny Goodrich Award, one of the highlights of the day was hearing one of the true success stories of The Fund. Ouimet Alumnus Chris Rumul '06, who is now a member of the Board of Directors, spoke about what the Ouimet Scholarship meant to him and why he became a Ouimet Lifetime Member and a contributor to all Ouimet programs. His success has allowed him to give back in any way he can and try to create more stories like his for young men and women around the state. Chris spoke of his involvement in Team Ouimet running both the Boston Marathon and Falmouth Road Race, taking an active role with the Alumni Committee, promoting the inaugural Career Fair, sponsoring the Annual Banquet and soliciting others to do the same. Chris' appreciation for the help he received early in life and his commitment to giving back inspired all Friends of The Fund in attendance.

A huge thanks to Woodland for hosting this critical event and congratulations to our golf winners: 1st Place Net: Sam Horn, Garret Roberts, Zak Nolen and Chris Hayward. 1st Place Gross: Dave Dahlquist, Kevin O'Connor, Eddie Krovitz and Bobby Callahan.

Scott Johnson

Ouimet Golf Professional of the Year Award Recipient

SCOTT JOHNSON, OAKLEY COUNTRY CLUB

The Francis Ouimet Scholarship Fund presented its 3rd Annual Ouimet Golf Professional of the Year Award to Oakley Country Club's Director of Golf, Scott Johnson at the Ouimet outing at Wollaston Golf Club on October 8th.

This annual award recognizes a New England PGA Professional for their efforts and achievements in guiding the young men and women who work for them to the Francis Ouimet Scholarship, and their ongoing mentoring through college and beyond. The recipient is someone who works closely with The Fund and plays an important role in promoting the scholarship to kids and their parents, and the various Ouimet programs to the club membership.

Scott has been an incredible supporter of the Ouimet Fund and a long-time head pro who has done great things for Oakley Country Club. He has been the head pro at Oakley for the past 21 years and his passion for The Fund's mission is vocalized to the membership, who support all fundraising programs and maintain a healthy roster of Ouimet Scholars.

Scott grew up in the golf industry and understands how to connect with the young people who work at the club on a personal level because he was once in their shoes.

He is a great role model for them and takes on a very important role advocating the Ouimet Scholarship program. There have been seven Ouimet Scholars who graduated in the last five years and eight current Scholars. The continued support from Scott and Oakley has helped these young individuals immensely as they pursue a higher education.

Scott credits the support of the Oakley membership for making the award possible. Scott works closely with Ouimet Chairs Marie Chalmers and Phil O'Neill to support Ouimet programs.

We would like to thank Scott Johnson for demonstrating what a huge role the PGA Professionals play in the lives of nearly 500 current Ouimet Scholars annually. Thank you, Scott!

“Nothing gives me a greater sense of pride than helping young men and women advance into their college careers.”

On the following pages we proudly list the 2019-2020 Francis Ouimet Scholarship recipients who received the \$2.5 Million in Scholarships awarded this year.

We believe that the Ouimet Scholarship program sees such incredible graduation results because of two main factors. First, the financial investment in the young men and women increases their ability to afford the tuition and remain enrolled. Secondly, the Scholars have a strong work ethic, having grown up working in golf at a young age, surrounded by leaders and role models at the clubs. In short, the Scholarship works because THEY work!

-  = Participant in the Ouimet/Dale Carnegie "Generation Next" Program
-  = Participant in Team Ouimet Activities
-  = Participant as a Caddie in a Ouimet-Sponsored Event
-  = Participant as a Student Speaker at a Ouimet Event
-  = Attended a Ouimet Event

*The Ouimet Fund categorizes Pro Shop as Scholars employed in the following areas/roles: Bag Room, Carts, Range, Starter, Shop Assistant, Outside Operations, On-Course Food and Beverage.

Scholar Opportunities - Dale Carnegie

The 17th Annual Ouimet Dale Carnegie "Generation Next - Effective Leadership and Communications" course was held at Bentley University throughout the summer and was a great chance for Ouimet Scholars to participate in a highly regarded leadership and public speaking training program. The course at Bentley was again generously contributed by John MacKinnon

(Dale Carnegie President of Performance Training in the Boston area, and Ouimet Director), allowing 23 Ouimet Scholars to benefit from this incredible learning opportunity.

With additional assistance from Terry Carleton, who arranges the space at Bentley for our group free of charge, the Ouimet Fund is able to offer this course free of complementary rave about it and report that it was one of the most important they have ever taken. We are delighted that more than 340 Ouimet Scholars have received this great benefit over the past 16 years. The life skills, leadership lessons and public speaking training that these young men and women are able to develop are critical to their ability to succeed in the workforce going forward, and we hope to continue providing this incredible course for many years to come!

Make the Difference of a Lifetime for Ouimet Scholars

- ◆ Make that "next-level" investment in Ouimet Scholars
- ◆ Be recognized for your commitment with a custom blazer crest and lapel pin
- ◆ Display your personal pride with an engraved metal bag tag
- ◆ Your name(s) will be prominently displayed on permanent plaque at Golf House and in Annual Impact Report
- ◆ An incredible return on investment - 93% college graduation rate!

Lifetime Single \$10,000
Lifetime Husband & Wife \$12,000

To become a Lifetime Member, or to learn more, please visit Ouimet.org and click on the Lifetime Member logo on the homepage. Please do not hesitate to reach out to the Ouimet Fund office with any questions at 774-430-9090.

The Lifetime Membership of the Ouimet Society offers a unique level of financial support for the Ouimet Fund as well as special recognition for the donor.

The growing roster of 260 Lifetime Members may participate in exclusive event opportunities such as golf outings, Scholar Receptions, Annual Banquet and more. These invitations are a tremendous opportunity to meet peer donors, establish business contacts, play great golf courses and meet the product you invest in - the Ouimet Scholars! Lifetime Members will proudly recognize their blazer crests and lapel pins wherever they go. The names of Lifetime Members are also permanently displayed on honor boards at Ouimet Headquarters at the William F. Connell Golf House & Museum in Norton and prominently displayed at various events throughout the year. We thank you for investing in our next generation of youth and look forward to hearing from you today at www.ouimet.org/Lifetime!

LIFETIME MEMBERS

The Ouimet Fund's Ouimet Society recognizes those who have distinguished themselves as Lifetime Members. This offers individuals a unique level of financial support for The Fund and special recognition for the donor. The special invitations that Lifetime Members receive provide a tremendous opportunity to meet peer donors, establish business contacts, play great golf courses and meet the product you invest in – the Ouimet Scholars! To learn more about becoming a Lifetime Member, please visit Ouimet.org/Lifetime.

Please note the **(S)** next to these names is representative of a "Sustaining" Lifetime Member. We are pleased to additionally recognize these Lifetime Members who continue to make donations this year in support of any of our other programs. This continued financial support is critical to the growth of our scholarship awards. These donors continue to make subsequent annual investments in the Ouimet Scholars after becoming Lifetime Members and we thank them for that!

“Receiving this scholarship has helped make it possible for me to continue at Bryant and further my education. Bryant is providing me with the knowledge I will need to have a successful career in business. I am beyond thankful for all the doors the Ouimet Fund has opened for me and for your continued support!”

Thank you!

OUIMET SOCIETY INDIVIDUAL HONOR ROLL OF DONORS

The Ouimet Fund wishes to thank all of the people who generously supported the mission of The Fund by listing names in our annual Honor Roll of Donors – the Ouimet Society. Gifts reflected are the total tax-deductible amounts received between 10/1/18 - 9/30/19. Donor names in green designate a Ouimet Scholarship Alumnus. This list does not include Bag Tag or Golf Marathon donations that are contributed directly through our supporting clubs, as the Ouimet Fund does not receive names or information on those donors.

= 5 Year Consecutive Donor

= 10 Year Consecutive Donor

In appreciation of this important commitment of consecutive years of giving, the Ouimet Society Honor Roll now also recognizes the varying degrees of loyalty over time. This consistency and longevity is something we are proud of and we hope that the donors with the special notations on the following pages share that extra bit of pride.

“Thank you for providing me with the opportunity to be a Ouimet Scholar. This past year I have had the pleasure of attending my dream school of Boston College and pursuing my passion to help others in the medical field by studying nursing. My first year there, I could have never imagined that the Ouimet Fund could provide me so many opportunities and change my life in the way it did. Thank you for providing me the opportunity to attend college and helping relieve my financial burden!”

“I am sincerely grateful to be selected as a Ouimet Scholar. Playing and working in the sport of golf has offered me many opportunities and enabled me to grow as a person. I have saved my earnings towards my college education and have had the distinct honor of being named a Ouimet Scholar. This scholarship will help me greatly in reaching my goal to become a physician. Thank you for this opportunity!”

“I would like to take this opportunity to thank you all for allowing me to be a Ouimet Scholar. I am very proud to be a part of this organization. In receiving this scholarship, I have been able to carry more classes, enhance my education, and be very excited for my future as a Graphic Designer. I hope someday to give back to the Ouimet Fund so others can have the same opportunities as I was given. Thank you again, I could not be more grateful for these opportunities!”

“I am honored to have had the privilege of working in such an incredible environment like Woodland Golf Club and could not thank you all enough for your unconditional support of the Ouimet Fund. Receiving the Ouimet Scholarship has enabled me to pursue my academic and athletic careers here at Middlebury College and because of that I am forever grateful for your generosity and support. Thank you very much!”

Thank you!

“I have never felt as grateful as I do in receiving a Ouimet Scholarship. This scholarship has relieved my mother and me of the financial burden of college and I could stop wondering how a paycheck to paycheck mother of three could support me going to college. The Ouimet Fund was our saving grace. A debt I can never quite repay, but I will try my best to make those of you proud who believed in me furthering my education.”

“I would like to thank you for your continued support of the Francis Ouimet Scholarship Fund. The Ouimet Fund does wonderful things for all its Scholars who are able to distinguish themselves from others in a competitive environment with the valuable honor of being a Ouimet Scholar. Not only does The Fund provide valuable financial aid to its recipients, but Ouimet Scholars like myself are given opportunities to advance their professional skill sets and network with other Scholars/Alumni. The Ouimet Fund has treated my brothers and me very well and I am forever grateful for it. On behalf of myself, my family, I would like to sincerely thank you for your continued support.”

“Thank you for providing me with the opportunity to become a Ouimet Scholar. This scholarship has benefited me greatly over the past three years and has given me the opportunity to excel in the classroom and in the real world without having to worry about the financial burden of college expenses. I would like to thank all of you for your continued support of the Ouimet Fund. You continue to help me in countless ways, and I am forever grateful for your generosity!”

"I appreciate you giving me the opportunity to become a Ouimet Scholar. I couldn't even imagine being able to afford college if I did not receive this award. Thanks to all of you I can pursue my education at Arizona State University and receive the skills I need to start my career after I graduate. I appreciate everything the Ouimet Fund has done for me and thank you for supporting me!"

OUIMET FUND MEMORIAL DONATIONS

Listed below are memorial donations The Fund has received. The Ouimet Fund has a full memorial donations program, which remembers people who have had golf as a favored pastime in their lives or a strong affinity to education for youth. Included in this list are several longtime Ouimet supporters who died within the past year and ongoing gifts that remember people who passed away previously.

THE OUIMET FUND SADLY LOST CLOSE FRIENDS WHO MADE MANY CONTRIBUTIONS

Charlie Fox was the first alumnus to become Ouimet President, and a long-time Trustee who was instrumental in fundraising for the original Ouimet Golf House, the creation of the The Fund's Inner City Program in Boston and with organizing the sponsorship program for the first "large" Ouimet Banquet honoring Arnold Palmer in 1997. His family created a Charles and Janice Fox Scholarship which is for a Ouimet Scholar who is committed to charitable and community work.

Stephen Buckley was an Alumnus, President, and Trustee, and was critical to the creation and development of the Endowed Scholarship Program. He was heavily involved in the planning of the Arnold Palmer Banquet in 1997. In more recent years, he developed an endowed award with his family in honor of his late brother, Kevin Buckley, to which Steve's name has now been added.

Also remembered were two former directors who had contributed in various ways:

Jim Deveney was a great representative of The Fund at Essex County Club and on the North Shore. He helped create the foundation for our Ouimet Marathon in 1993, as he played and fundraised for Essex CC, and also recruited many other North Shore clubs as participants. He was a very fine player who competed in the Ouimet Memorial Tournament for many years.

Phil Cahalin Mr. Cahalin was especially proud of the fact that his grandfather had been a friend of Francis Ouimet and had served as one of his pallbearers. Phil supported many Ouimet events including an outing held in his honor in 2007 that created an endowed scholarship in the names of Phil and Blanche Cahalin.

Others remembered here include:

Jack Karle was Vice Chair of the Par Club, and re-branded it as the Francis Ouimet Society. In the process he helped created several new Lifetime and other categories of membership which led to a wide growth in members. **Jack Breen** who had been the long-time Ouimet Chair at Framingham Country Club, **Geneo McAuliffe**, the Ouimet Chair at Woods Hole Golf Club for many years who was very involved in junior and women's golf, and **Robert B. "Beezah" Almy, Jr.** a Ouimet Society Lifetime Member who served on the Ouimet Society Executive Committee and helped greatly at Dedham Country and Polo Club and The Kittansett Club. We also remember **Harry B. McCracken, Jr.** who was regarded as one of the most recognizable figures on the New England golf scene and had been honored multiple times, locally and nationally, for his many contributions to golf.

Committees

In addition to a newly elected Executive Committee, which will drive much of the strategic direction and accountability of the organization, the Ouimet Fund employs a wide range of program-related committees. Each member of The Fund's Board of Directors is required to serve on one or more committee annually. The committees meet frequently, leverage the skills and passion of individual members and are led by a committee chairperson. In many instances, a committee roster may include several non-Directors, other passionate volunteers who have a similar focus and interest in a particular program.
