Ouimet Scholars On Set

Earlier this spring, six Ouimet Scholars spent the day in the studio at Cramer working with producers and crew to capture their golf, education, and Ouimet stories. Scholars had the opportunity to share their stories of how they came to be part of the Ouimet community. While each story is unique, the common thread among all Ouimet Scholars and Alumni was in many ways represented by these six young men and women. If you haven't yet, please visit the Ouimet Fund YouTube channel to hear directly from these young people you are supporting!

Ouimet Scholar stories come to life on screen!

Our Mission

The Francis Ouimet Scholarship Fund awards significant need-based college scholarships to deserving students who have worked at Massachusetts golf courses.

Message from the President

October 25, 2021

Dear Ouimet Fund Friends,

On behalf of my fellow Ouimet Fund Directors, the staff, and the entire organization, I want to wish you and your family safety and health as we all continue to navigate a confusing and uncertain time, one that has been unbiased in challenging families, businesses, and organizations alike.

As I close out these last two years of my presidency, I want to thank each of you for your support of the Ouimet Fund. Throughout nearly the entirety of my role as President of the Ouimet Fund, we have been unsure if we could continue to meet the needs of the hundreds of families who rely on us each year to alleviate the difficulty of affording tuition. Last year, 25% of Ouimet Scholars experienced a parent lose a job, and the financial impact of that lingers even as we begin to move into a post-pandemic world. Generous donors, sponsors and families answered the call, and that support changed lives. It helped keep our Scholars' financial situation intact so that they could focus on their studies. We are proud to say that Scholars have maintained a 3.5 GPA average and are still graduating in four years at a 91% success rate. You had a direct impact in making that happen for these young people, and we enthusiastically thank you!

Additionally, we are so thankful to our strong foundation of representatives, both in the membership and the leadership, at our partner golf clubs and courses throughout Massachusetts. These representatives ensure that the Bag Tag Program, which is the backbone of The Fund, remains a priority for charitable giving. Each Ouimet Chair and Committee across the state should feel proud of the impact you are making on young Scholars. Your commitment to youth golf employees, your mentorship on and off the course, and your financial generosity is truly profound.

And finally, I'd like to thank my fellow members of the Ouimet Board of Directors and Executive Committee. We certainly got used to each other's different Zoom backgrounds during the past two years, but your dedication and commitment to the cause was a catalyst for so much of our success. Your strategic input has been so important, particularly in a time when Scholars need our assistance more than ever. Additionally, I am proud of our efficient, hardworking staff who has maneuvered so many "tough lies" during the past couple of years to not only meet our scholarship goals but to exceed them. We continue to keep administrative expenses under 10% and once again we have been given a four-star rating on Charity Navigator.

I have had the privilege of meeting so many amazing people through the Ouimet Fund, and as we tell our current Scholars, the Ouimet community simply continues to grow as the years go on. There have been many mentors whom I met as a caddie who inspired me to work hard, to help others, and to give back. We invite you to be mentors off the golf course by connecting to high performing Ouimet Scholars and Alumni and by participating in our free career services program, Ouimet Onward. Scholars and Alumni are encouraged to connect through the Career Fair and Career Portal regarding jobs and internships at your companies.

It has been an incredible honor to serve as your President and I am excited about Dr. Healy's leadership kicking off the next important chapter of the Ouimet legacy. The U.S. Open at The Country Club is just months away, and our organization's 75th anniversary is coming up in 2024. We couldn't be more excited for the opportunity to share Mr. Ouimet's legacy and our Scholars' stories, and in doing so, work to close the financial gap even more for our recipients!

Scholarship Application Process

HOW DO APPLICANTS BEGIN?

- Requests for applications can be made at www.Ouimet.org/how-to-apply/ or by contacting Director of Scholarships, Michelle Edwards at MichelleE@ouimet.org.
- The December 1st deadline is a hard deadline for students seeking Ouimet Scholar status/scholarship award for the following school year. There are no exceptions, so don't miss a year of eligibility by failing to submit all the necessary forms to the online application portal.

WHO BECOMES A OUIMET SCHOLAR?

Scholarship applicants are first judged across a wide range of categories on a "point scale." These categories include academic achievement and leadership, school/community activities, the applicant interview with 4-5 Ouimet volunteers, essays, character and integrity, service to golf and the multiple recommendations received in the application.

HOW ARE MONETARY OUIMET SCHOLARSHIPS DETERMINED?

The certified financial need of the Ouimet Scholars is analyzed through tuition costs, college grants and the estimated family contribution through the submitted CSS and FAFSA forms. Ouimet Scholarships are need-based and can be renewable for four years. Beginning in 2018, Honorary Scholars were awarded a nominal "Book Award" to assist with the expenses of college, and to show that their efforts working in golf and applying to be a Ouimet Scholar were appreciated.

Jim Nantz Honored at Banquet

After more than two years since hosting our last in-person event of this kind and thanks in large part to the enthusiastic participation of Jim Nantz and his team, the Ouimet Annual Banquet Honoring Jim Nantz was held at the Encore Boston Harbor on October 14th. The event presented the first opportunity for the entire Ouimet community to come together and celebrate the success and growth of the Ouimet program across Massachusetts. The Banquet is perhaps the most important event on the Ouimet calendar, and the funds raised are vital to providing need-based scholarships annually. Each of the generous sponsors, donors, and supporters deserve a resounding thank you for making this event one of the largest and most successful in The Fund's history.

The energy in the room was palpable as the crowd of 1,300 welcomed the 2021 Honoree. "It was such an honor to have Jim Nantz as the 2021 Honoree, and his excitement in receiving the award was second to none," said Jim Moriarty, Ouimet Fund President. "Jim has been the voice of golf and, frankly, of many of the largest sporting events in the world for generations, and to be able to honor him with the Ouimet Award - and for him to work so closely with us to make the event a success - I simply cannot say enough great things about him. Jim Nantz has made a huge impact on the Ouimet Fund and the game of golf and is more than deserving of this award."

Jim Nantz established an endowed scholarship in the name of Jerry Trupiano, his mentor.

OUIMET MISSION REMAINED CENTRAL FOCUS

Prior to hearing from Jim Nantz, Ouimet Alumnus and Master of Ceremonies John Dolan '01 guided the ceremony as the crowd provided a rousing standing ovation for Corey O'Neill '22, the evening's student speaker, and the 2021 Connolly Award winner Michael Douvadjian. Ouimet leadership spoke directly to, and thanked, everyone in the room for helping to fund Ouimet Scholarships. Ouimet President Jim Moriarty and Executive Director Colin McGuire provided the crowd with detailed information about why their support is so crucial and explained that while the growth in scholarships has been tremendous, the amount of financial need for Ouimet Scholars is still staggering. "We are proud to award \$2.75 million in need-based scholarships this year," stated Colin McGuire, "but Ouimet Scholars still face tens of thousands of dollars in loans when they leave school. Our goal is to one day meet the full financial need of every Scholar."

Corey O'Neill

Corey O'Neill wowed the crowd of 1,300 with his personal Ouimet story, and the importance that mentors at both Vesper Country Club and Wellesley Country Club have played in his journey. Corey is currently completing his senior year at Babson College, soon to be finishing a dual concentration in Finance and Economics. He has worked as a caddie and in the bag room at both Vesper Country Club and Wellesley Country Club, the former before entering Babson and the latter during his semesters on campus. Corey left an indelible impact at both clubs, and was even named the inaugural recipient of the "Cartaglia / Lowery Caddies for Life Award" at Wellesley Country Club. A model member of the Ouimet community, he has attended numerous networking events, ran the Falmouth Road Race on behalf of The Fund in '20, and participated in the Dale Carnegie Skills for Success training course hosted by The Fund. Corey is extremely grateful for the generosity of the donors to the Ouimet Fund, which has provided his family and him peace of mind to focus on maximizing his networking, internship opportunities and the college experience rather than the exorbitant cost of tuition.

The annual Richard F. Connolly, Jr. Distinguished Service Award was established in 2000 in honor of Mr. Connolly, a Ouimet Scholarship Alumnus and former President who has proudly served the Ouimet Fund for over 40 years as Chairman of the Francis Ouimet Memorial Tournament. Mr. Connolly has been the driving force in starting the Francis Ouimet Award for Lifelong Contributions to Golf Annual Banquets, and has personally been their principal sponsor every year. He has also established an endowed Ouimet Scholarship in his family's name and was honored with the Ouimet Fund's Spirit of Golf Award in 2008. Dick Connolly is the embodiment of everything a Ouimet volunteer can be.

Michael Douvadjian has been a dedicated Ouimet Fund board member for nearly 30 years and has served as Chair of the Investment Committee since 2005. Michael grew up caddying and has a deep love for the history and ideals of the game of golf. He has been an active member of Salem Country Club since 1985 and has served as Ouimet Chair or on the Ouimet Committee at the club since 1992, supporting The Fund in so many ways each year. Prior to his current professional career, he was a Captain in the United States Air Force, attended UMass Amherst and received a Master in Business Administration from the University of Maine.

Michael Douvadjian graciously accepts his award at the Annual Banquet from Dick Connolly.

Michael is a Wealth Management Advisor at Morgan Stanley with over 35 years in the financial services industry. Always understated about his own active participation in the community, his primary civic interest is in public education.

Michael steers the investment team's strategy and philosophy to maintain trust and confidence with every donor who invests in our Scholars. Our endowment has grown because of the creation of new scholarships each year, steady investment growth and many families continue to add to their special award. Michael personally steps up financially each year, promotes passionate volunteerism, and is an advocate for young men and women encouraging them to take advantage of the opportunities working at the clubs.

Bag Tag Remains Backbone of The Fund

BAG TAG PROGRAM

Since the inception of the Bag Tag Program in 1955, donors across the state have annually contributed the “first” dollars to fund over 6,300 need-based Ouimet Scholarships. This tradition has been the backbone of all Ouimet fundraising programs and 100% of the Program’s proceeds go directly to scholarships. Currently, there are 75 clubs that support the Program, 26 of which have chosen to donate at a higher level and are recognized on the list as “Ouimet 100 Clubs.”

Each supporting club receives these tags in the early spring, which allows members to display the pride they feel in their generous investment throughout the golf season. At each club, The Fund works with a key person on the staff who collaborates with the Ouimet Committee and others from the club’s leadership to promote each Ouimet program. This is the person who will hire, train and mentor the young golf employees through college and beyond. The Fund is grateful to these supporters at each of our clubs who help to identify and realize the great potential in these young people and guide them to the scholarship.

HOW TO GET INVOLVED

Each year new golf clubs, both public and private, join the Ouimet Bag Tag Program so as to give back not only to the young men and women who work at their clubs, but also to the greater good of the game across the state of Massachusetts. As you’d hear from the more than 25,000 golfers across Massachusetts proudly displaying their Ouimet Bag Tags, the membership at your club may be interested in creating a similar impact.

There are several ways clubs join the Bag Tag Program, and Ouimet Staff would be happy to discuss with you. To begin the discussion, please reach out to Jeff Murphy, Director of Events & Club Relations at jeffm@ouimet.org.

Partnership With Supporting Clubs

At each supporting club, a variety of critical representatives make the Ouimet programs a success.

Thank you Club Members!

Thank you to the 25,000 golfers across the state who continue to support the Bag Tag Program. While the pandemic has affected so many young men and women working at Massachusetts golf courses, the response from the golf community across the state has been incredible. Without your generosity The Fund would not be able to award significant need-based college scholarships to deserving young men and women.

Thank you Ouimet Chair Committees!

Dedicated Ouimet committee members take on the responsibility of being the main point of contact for fellow members, club leadership, young employees, and parents on any questions or information regarding the Ouimet Scholarship process. We would like to thank all the Ouimet Chairs and Committees at our supporting clubs for all they do to help the young people working in the game of golf.

Thank you Golf Professionals!

Golf professionals play a crucial role in promoting Ouimet programs and scholarship information, both to the membership and the staff. Thank you to the golf professionals who take pride in hiring these qualified young people, teaching them their work ethic and mentoring them through the Scholarship process and beyond.

Thank you Club Managers!

Club managers are an important liaison between club membership, staff and The Fund. They are often responsible for making sure Ouimet communications are highlighted throughout the club and in newsletters, help coordinate donation billing programs and promote The Fund to their members.

Thank you Superintendents!

Massachusetts golf courses are some of the most well respected in the country, which is due to the hard work and dedication of the superintendents. We rely heavily on our golf course superintendents to educate each staff member on the opportunity to become a Ouimet Scholar. Thank you to the superintendents for instilling a strong work ethic in the young men and women maintaining golf courses across the state.

Mary Beth Heffernan Receives Denny Goodrich Award

The Francis Ouimet Scholarship Fund renamed its "Honorary Alumnus Award" after Denny Goodrich when he retired from the Ouimet Fund's Board of Directors in 2009 after 37 years of service. Mr. Goodrich, of Dedham Country and Polo Club, was the inaugural recipient of the award in 2003 and also the Ouimet Fund's Richard F. Connolly, Jr. Distinguished Service Award's awardee in its debut year of 2000. For 13 years, he served as the Vice Chair of the Ouimet Fund's Annual Banquets and as Ouimet Fund President from 1990-1992. Denny was the epitome of a Ouimet Alumnus, and this is a special way to always remember his immense contributions to The Fund. The "Honorary Alumnus" must have been generous in their support of the Ouimet Fund, either by contributing financially or by volunteer or exceptional professional service.

Mary Beth Heffernan receives the 2021 Denny Goodrich Ouimet Honorary Alumnus Award at the Annual Meeting.

The Francis Ouimet Scholarship Fund awarded its 2021 Denny Goodrich Ouimet Honorary Alumnus Award to Mary Beth Heffernan at its Annual Meeting on October 25. Mary Beth has been personally involved in advancing the Ouimet mission for decades, and in 2008 assumed the Ouimet Chair role at Salem Country Club.

Mary Beth was first named the Ouimet Chair at Salem Country Club after years of spearheading fundraising for the Ouimet Golf Marathon. Over the past two years, Mary Beth has been a major contributor in the transition to the Ouimet Golf Sprint, which the Salem CC creatively incorporated into a relay format. Since taking over the management of the Golf Marathon and Sprint fundraisers, Mary Beth has helped raise more than \$100,000 for need-based Ouimet Scholarships.

Mary Beth applies hands-on interest and mentorship for young men and women working at Salem CC each year and reinforces the importance of the Ouimet Scholarship opportunity for the young workers to ensure that they make the most of the membership's generosity. Her impact has been seen for years as she speaks about The Fund at the annual caddie breakfast, writes dozens of applicant recommendations, and even redesigned a few areas of the clubhouse to profile the Scholarship recipients and fundraising activities. Since becoming Ouimet Chair, 68 young men and women from the club have received more than \$900,000 in Ouimet Scholarships.

"Whether it is volunteering at the Banquet registration table, donating a round of golf for our annual auction, or hopping on a Zoom call with applicants, Mary Beth is as dependable as they come!" commented Executive Director Colin McGuire this fall when announcing the award. "The personal accolades are something that she never seeks; however, she is incredibly deserving of carrying on the legacy of this special award. Denny would be so proud to know that Mary Beth has been recognized for her years of tireless dedication to the Ouimet Scholars at Salem and across the state."

Ouimet Community Embraces Golf Sprint

Pocasset Golf Club's Ben Halunen completed 33 holes in one hour! Ben is seen above with his caddie being cheered on by his mom and little sister.

Last year, as a result of COVID-19 and the resulting regulations, The Fund pivoted its traditional "Golf Marathon" to a new format, one that allowed all participants to perform the endurance challenge at their own home course. This has become the new 'Ouimet Golf Sprint,' which now boasts more than 50 participating teams and individuals across multiple states.

Each 'Sprint' displays a moderately different format, from relays, to closest to the pin, to the traditional style. Amazingly, thousands of donors across the country have raised more than \$475,000, making it the most successful of its kind to date. "The former Golf Marathon, now the Golf Sprint, was always a crucial event on the Ouimet calendar," said Jeff Murphy, Ouimet Fund Director of Events and Club Relations, "and now that the dates and formats can be flexible, we have seen a huge growth in participation. Without this event, we simply would be unable to award such significant scholarships each fall."

As a staff we were able to travel and see some of the exciting sprints. Many teams had a reception after and every dollar raised goes toward need-based scholarships. With a goal of 75 participating teams for 2022, we are looking for new participants and can assist with coordinating the Sprint locations.

The Ridge Club had 15 caddies compete in their Golf Sprint this year, bringing together Ouimet Alumni, staff, and members.

Salem Country Club hosted their Golf Sprint "Relay" and played nine holes in 22 minutes, beating their 29-minute time from last year!

Mark Nelson completed his golf sprint at Pine Brook Country Club, playing 18 holes in 56 minutes!

Eight Ouimet Alums participated on Salem Country Club's Sprint Relay team.

Wellesley Country Club caddies measured tee shots hit within a small circle drawn around the flag to determine the winning team.

Scholar Spotlight

Kelsey Cronin
Suffolk University '22
The Ridge Club

I started working at The Ridge Club my junior year of high school and that was my introduction to the world of golf. I've been at the club for four seasons, working in the cart barn, as the beverage cart girl, and helping with events. Having a variety of roles has exposed me to many leadership styles and improved my interpersonal and customer service skills, which I've incorporated into my academics and non-profit management work. Between the networking opportunities and forming meaningful relationships, working at The Ridge Club impacted both my personal and professional development and gave me a new appreciation for the golf operation and how much goes on behind the scenes.

Personally, having suffered five concussions, I have cognitive disabilities which makes school very challenging. This past spring, I was diagnosed with hyperacusis, a rare auditory disability, so I am physically not able to work, which is why receiving support from The Fund during this time has been such a blessing. My dad is in the military, and we are a single-income family, so without my scholarship, I wouldn't be able to attend Suffolk University where I am currently a senior. As an Art History major, I will need my Master's at the minimum, so being able to leave college debt-free gives me the ability to pursue my passion with reduced financial worries, and for that I am incredibly grateful to all the Ouimet donors!

In my time I have learned that all Ouimet Scholars are determined and hardworking, so my diagnosis is just another uphill battle I will conquer, like the many battles other Ouimet Scholars face. This past year has taught me the importance of resilience, and I am now interested in pursuing a Master's in non-profit management since I recognize first-hand the unbelievable impact. I can't thank all the donors and supporters enough for all you've done to change my life!

Inner-City Programs

Seen above and in photos throughout are students participating in the annual City of Boston Golf Management Program at Franklin Park and George Wright golf courses.

The Ouimet Fund is keenly aware of the important conversations about equity and diversity that received more appropriate attention in 2021. The Fund is proud of our growth in Scholarship impact to those in, oftentimes, underserved communities or demographic groups. With that being said, we can and will continue to seek out partnerships with local organizations and courses to bring those young men and women into working in the game. Demand for golf is up, and ideally, so are the opportunities for young people to add even more value to the golfer's experience. Whether that means maintaining the course, enhancing the golfer experience at arrival or acting as a true partner on the bag caddying for the

entire round, we encourage any clubs or courses looking to diversify their workforce to reach out about ideas on this common goal.

It was great to see the annual City of Boston Golf Management Program at Franklin Park and George Wright golf courses in full swing this summer. For eight weeks, 43 participants worked at Franklin Park and 55 participants worked at George Wright laying sod, fore caddying for daily play, assisting The First Tee program and engaging with their peers and mentor supervisors. As some elements of the program have been adjusted for new safety requirements, the small group structure of the program proved to be impactful for all involved. The Fund has also been proud to support the Green Hill Golf Caddie Program in Worcester, which has continued to develop and grow over the last few years, and this year has three Ouimet Scholar recipients.

The Ouimet Fund's Director of Scholarships, Michelle Edwards, attended the orientation at both Franklin Park and George Wright in June and talked to students and parents in person about the Ouimet Scholarship opportunity. This year we are thrilled to have 31 Ouimet Scholars from the two sites, a figure which has grown from 9 in 2015. For 26 years, more than 162 scholars from Franklin Park and George Wright have benefited from this program and have received \$2,094,180 in Ouimet Scholarships.

George Wright Golf Course

WHAT'S YOUR FAVORITE GOLF COURSE YOU'VE EVER PLAYED?

George Wright - it's where I learned how to play golf and where I was a caddie, so it will always hold a special place in my heart.

IF YOU COULD PLAY A ROUND OF GOLF WITH ANY THREE PEOPLE, WHO WOULD YOU CHOOSE?

Francis Ouimet, Georgia O'Keeffe, and Taylor Swift.

HOW DID BEING A OUIMET SCHOLAR IMPACT YOU WHILE YOU WERE IN SCHOOL?

I wouldn't have been able to attend my school of choice if I weren't a Ouimet Scholar. In addition to being able to attend my dream school, I appreciated it even more, knowing it wouldn't have been possible without the generosity of Ouimet Alumni before me.

HOW HAVE YOU GOTTEN MORE INVOLVED WITH THE FUND SINCE BECOMING AN ALUM?

I was recently honored when I was asked to become a board member and give back in different, meaningful ways by conducting scholar interviews and attending more events. I am so thrilled to be able to pay it forward.

WHAT IS THE GREATEST LESSON YOU'VE LEARNED FROM WORKING IN GOLF?

Patience! You need to be patient in golf and in life - take everything one step at a time and make thoughtful decisions.

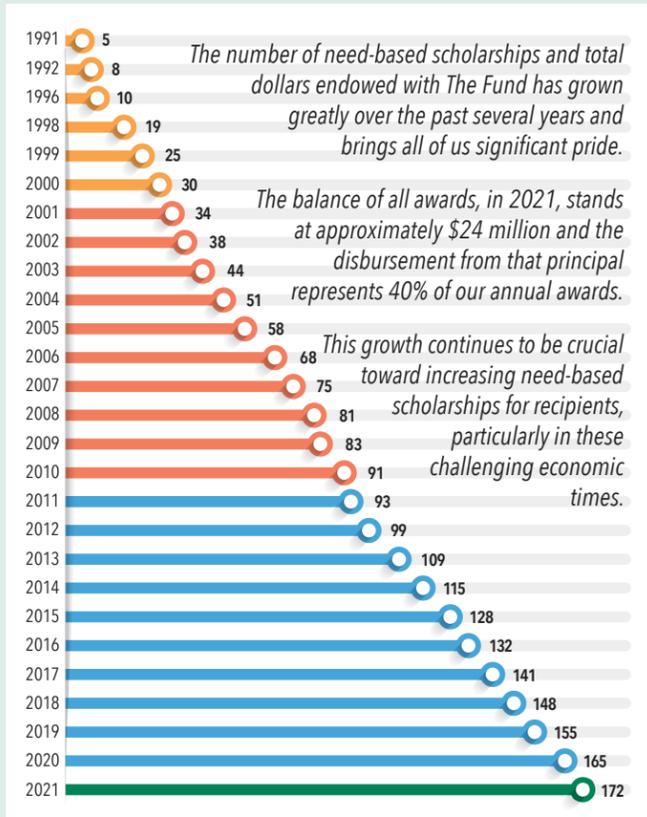

Establish a Lifelong Legacy

Endowed Scholarship Program Expansion Remains a Priority for The Fund and Many Families

The financial need of Scholars continues to rise and the landscapes continue to change when it comes to our economy, education, Ouimet events and programming and much more. One of the constants remains the stability of our Endowed Scholarship Program. Each year, families and individuals honor loved ones who were deeply committed to golf and/or the value in high education. These permanent awards continue to make that "extra" impact each fall, when recipients receive an additional scholarship from the funds of more than 172 endowed scholarships, above and beyond their fall and spring awards. The special connections that are made reinforce why the donors chose to invest in the Ouimet Scholars and funding their own award. Students are able to personally thank the donors in a number of ways and we ensure the donors receive status reports on their financial investment as well as the success of the annual recipient!

Listed on pages 24-25 are the Ouimet Endowed Scholarships, as of this printing, that have been created by friends of the Ouimet Fund. The total funds in the Ouimet Endowed program is more than \$24 Million and becomes a tremendous marker of our strong, long-term stability for years to come.

Investing in Lifetimes Reception

Connecting Scholars and Donors

(L-R) John Dolan '01, Carli Citrano '19, Grant Kelly '05, and Rick Spillane '72 spoke in a roundtable format at the Investing in Lifetimes Reception.

After the first year not hosting the event since 2003, The Fund was thrilled to bring more than 150 Scholars, Alumni & Endowed Scholarship creators back together in August at Wellesley Country Club to celebrate the importance and growth of the endowed scholarship program at the 18th Investing in Lifetimes reception. The endowed scholarship program is crucial to the growth of need-based Ouimet Scholarships, as the program accounts for 40% of total annual awards. This key event is a highlight on the Ouimet calendar and is one of the more special events, as donors and

supporters meet face to face with the young men and women they support.

A new Alumni panel format highlighted the event this year, hosted by John Dolan '01, who organized an interesting discussion featuring questions and stories from Rick Spillane '72, Grant Kelly '05, and Carli Citrano '19. Each person on stage has a different path to receiving the Ouimet Scholarship, but all noted that without it they would have been unable to achieve the same education. As Alumni, they shared the importance of giving back to the next generation of young individuals by supporting their education, to allow them the same opportunities they were provided.

Alumni Community

The Ouimet Fund is proud to report another year of growth in giving among our Alumni! Our Ouimet Alumni community is over 6,300 strong across the country, and it is exciting to see Alumni continuing to pay it forward to the young men and women who now need their support. The increasing Alumni engagement each year is tremendous, and as you will see on the following pages opportunities for personal development and ways to get involved continue to expand.

HOW YOU CAN GET INVOLVED

The Fund is thankful to have so many generous Alumni giving back through financial contributions, and the Alumni Fund has more than doubled in size since 2014 as a result of this! However, there are many ways to get involved in addition to your annual Alumni Fund donation. Please contact Thomas Murphy, Associate Director, Development & Alumni Relations at thomasm@ouimet.org with any questions or suggestions. Thank you!

Green & White Senior Giving Society

ABOUT THE GREEN & WHITE SOCIETY

The Green and White Society was founded to encourage graduating Ouimet Scholars to begin giving back to The Fund which helped them, and to pay it forward for future Ouimet Scholars who need assistance. Here, you will see the names of the Ouimet Scholars, now Ouimet Alumni, who personally contributed and have joined the Society from the class of 2021. We applaud these young men and women who can now experience the pride of giving back. Thank you, and congratulations on your graduation!

WHAT'S YOUR FAVORITE SNACK TO ENJOY WHILE ON THE GOLF COURSE?

Lemonade and a granola bar.

WHAT IS YOUR FONDEST MEMORY FROM WORKING IN GOLF?

I really enjoy our biggest event of the year; the Member-Guest Tournament. Everything from the preparation in the days leading up to the three-day event through the very end of the grand march is filled with excitement. These tournaments are so memorable because the whole club comes together to put on our best service, and we have a blast while doing it. I especially enjoy driving out along the course to see how people are doing. It's a great time for not only those playing, but also for all of us working.

HOW DID YOU LEARN ABOUT THE FUND?

My bosses and a vast number of members continuously encouraged me to apply any chance they got. They raved about how incredible the Ouimet Foundation is and I completely understand why, since The Fund has been so helpful in allowing me to afford school.

WHAT HAS BEING A OUIMET SCHOLAR MEANT TO YOU?

It has reduced the burden of paying for tuition heavily and allowed me to be more involved in the activities I love most here like cross country, work in the Centennial Leadership program, and the HWS student investment committee. I am confident if I wasn't a Ouimet Scholar, I wouldn't have the chance to be as immersed in these activities as I want to be. I am so grateful for everything The Fund has done for my education.

Career Resources Expand with Ouimet Onward Program

Launched in 2020 and expanding in 2021, the Ouimet Onward program assists Scholars and Alumni with finding job and internship opportunities, as well as growing their respective professional networks. The Career Fair, Career Portal, and Networking Events are an all-encompassing offering to our Scholars and Alumni to assist with their professional trajectory. The goal is to continue to connect our wide Alumni base, as well as our corporate sponsors and generous donors, with Ouimet Scholars & Alumni seeking internships or full-time employment. Ouimet Scholars and Alumni are chosen after a rigorous application and interview process, and are the cream of the crop in their schools.

As the Ouimet Fund continues to expand its efforts in helping Scholars and Alumni, not just in school but beyond the classroom, Ouimet Onward will be the cornerstone of those efforts and the backbone of The Fund's networking campaigns.

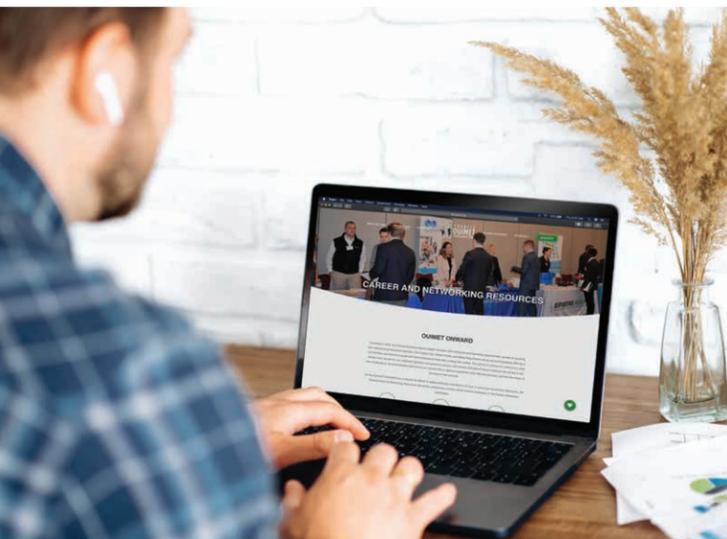

CAREER PORTAL

The Ouimet Fund Career Portal is the year-round home for the latest job and internship opportunities with our local and national partner companies, and is available exclusively for Ouimet Scholars and Alumni at Ouimet.org. All companies are welcome to be represented on the Portal, free of charge, and Scholars and Alumni will be encouraged to examine all opportunities on a regular basis. These young men and women are vetted, hard-working and consistently top of their class. Don't miss this chance to fill your open positions with the best talent available!

The Career Portal is located on Ouimet.org. To gain access, please reach out to Thomas Murphy, Associate Director, Development & Alumni Relations at thomasm@ouimet.org.

CAREER FAIR

The Ouimet Career Fair welcomes companies to meet face to face with Ouimet Scholars and Alumni to discuss internship and full time positions. This event has grown in large part due to our partner companies as well as the thousands of Ouimet Alumni across the country who hold prestigious positions in dozens of industries. Unfortunately, the 2021 Career Fair had to be postponed but we are looking forward to bringing this great event back in 2022! If you'd like your company to attend the event, please do not hesitate to reach out to Ouimet staff. Again, the Career Fair is free of charge and we'd love to connect your company with Ouimet talent!

JIM NANTZ REPRESENTS THE FUND

Our 2021 Ouimet Award recipient Jim Nantz represented The Fund during a New England Patriots game against the Dallas Cowboys by wearing his Francis and Eddie tie! Jim called the game a few days after the Annual Banquet and showed his support by giving our logo national attention.

CBS SPOTLIGHT

On CBS Boston's "4 Your Community", Executive Director Colin McGuire was interviewed by Kate Merrill, talking about our Annual Banquet honoring Jim Nantz, and about the impact The Fund has on young men and women working in golf. Access the full segment on our YouTube channel.

GOLF DESTINATION

Over the summer, an episode of Golf Destination aired on NESN, featuring The Fund and Thorny Lea's The Match, which raised money toward scholarships for this fall. Colin McGuire, our Executive Director was interviewed on the show and discussed The Fund's history and the legacy of Francis Ouimet that lives on in Ouimet Scholars. Airing in the fall, another episode featured highlights from our Annual Banquet honoring Jim Nantz. You can access the full segments on our YouTube channel!

WHO IS YOUR FAVORITE GOLFER?

My favorite golfer has to be Hideki Matsuyama. He's a model of consistency and level-headedness, and a great ambassador and representative of the game for the nation of Japan. I think we can all relate to his struggle to break through and win his first major. Hideki's triumph at the Master's should be a lesson for all future golfers about dedication and perseverance.

HOW DID YOU LEARN ABOUT THE FUND?

I learned about The Fund right after I got my first job in golf. Even as a 16-year-old, every member I talked to was interested in my life, my passions, and my plan for the future. Often, I would be asked about my plans after high school, and infallibly every member would show me their bag tag and tell me to keep Ouimet in mind. I'm so incredibly lucky that it has become a reality for me, and I hope I can give back to students someday like the members did for me.

HOW HAS BEING A OUIMET SCHOLAR IMPACTED YOUR LIFE?

I think the biggest thing Ouimet has given me is the ability to spark a conversation in every interaction I have. Working in finance for the last few years, any time an interviewer or co-worker looks at my resume, immediately they ask me about the Ouimet Scholarship. Especially when the other party is a golf fan, that one little interaction helps both of us open up and discuss the game of golf, trade stories, and ultimately build a deeply personal relationship.

HOW HAVE YOU GOTTEN INVOLVED WITH THE FUND SINCE BECOMING A SCHOLAR?

I think my biggest engagement with The Fund has been serving as an "unofficial" ambassador in every interaction I have. The most important thing we can do as Scholars is to let the next generation of Scholars know about the opportunities available to them, and make members aware of the difference they can make for people like me through donating and becoming involved in the Ouimet organization.

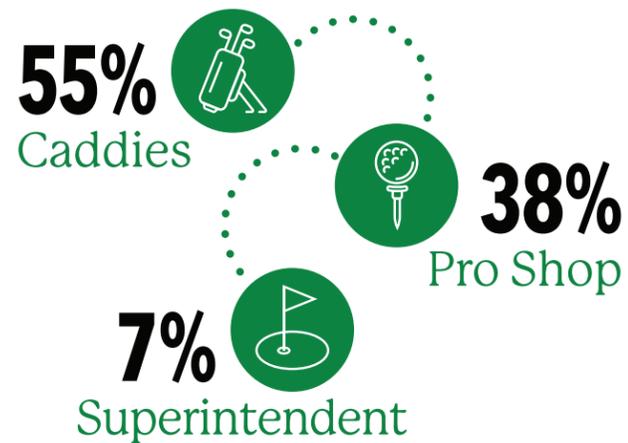

Scholars Stay Connected to The Fund

On the following pages we proudly list the 2021-2022 Francis Ouimet Scholarship recipients who received the \$2.75 Million in Scholarships awarded this year.

We believe that the Ouimet Scholarship program sees such incredible graduation results because of two main factors. First, the financial investment in the young men and women increases their ability to afford the tuition and remain enrolled. Secondly, the Scholars have a strong work ethic, having grown up working in golf at a young age, surrounded by leaders and role models at the clubs. In short, the Scholarship works because THEY work! Many of the students below you will see stay active in other Ouimet programs or fundraising opportunities noted below with the following symbols.

-  = Participated in Fundraising Activities
-  = Volunteered as a Ouimet Ambassador
-  = Attended a Ouimet Event

Golf Employment

**The Ouimet Fund categorizes Pro Shop as Scholars employed in the following areas/roles: Bag Room, Carts, Range, Starter, Shop Assistant, Outside Operations, On-Course Food and Beverage, and Course Superintendent Ops.*

Ouimet Society Individual Honor Roll of Donors

The Ouimet Fund wishes to thank all of the people who generously supported the mission of The Fund by listing names in our annual Honor Roll of Donors – the Ouimet Society. Gifts reflected are the total tax-deductible amounts received between 10/1/20 - 9/30/21. Donor names in green designate a Ouimet Scholarship Alumnus. This list does not include Bag Tag or Golf Marathon donations that are contributed directly through our supporting clubs, as the Ouimet Fund does not receive names or information on those donors.

= 5 Year Consecutive Donor ## = 10 Year Consecutive Donor

In appreciation of this important commitment of consecutive years of giving, the Ouimet Society Honor Roll now also recognizes the varying degrees of loyalty over time. This consistency and longevity is something we are proud of and we hope that the donors with the special notations on the following pages share that extra bit of pride.

Thank You

"Without the Ouimet Scholarship, I would not have been able to pursue my academics at Seton Hall University. The financial support has been integral to giving me a foundation to pursue higher education along with professional development. With the flexibility provided to me by The Fund I have been able to expand my engagements at Seton Hall and be an active servant leader on campus. I hope to be involved in as many Ouimet speaking engagements as possible and keep giving back. Thank you!"

"Receiving the Quimet Scholarship has had a significant impact by helping me afford my education. My future career as a Physician Associate requires five years of education which can be very expensive, and it is because of The Fund that I am able to continue my education and become a PA. My future career is in a field which gives me the opportunity to give back, the same way The Fund does. Thank you!"

"When deciding on which college I would attend at the end of my high school career, I was aware that the College of the Holy Cross was by far the most prestigious institution to which I was granted admission; however, it was also the most expensive option and the only school from which I did not receive much financial aid. Fortunately, the Ouimet Scholarship Fund has continuously acknowledged my hard work and made the once seemingly monumental loans I would have to repay after college much more manageable and realistic. This is an act of kindness that is remarkably encouraging to my post-grad outlook, and I am eternally thankful. Thank you!"

"Being a Quimet Scholarship recipient has been immensely helpful in my life. Each year at Clark University, the administration has raised tuition, continuing to do so even during the economic recession caused by the COVID-19 pandemic, which has greatly affected my financial situation. The Quimet Fund has been a lifeline throughout my college career, both through their financial assistance awards and through their networking events. I will be forever grateful to the Quimet Scholarship Fund and its members for their unwavering support and generosity. Thank you!"

"The Francis Ouimet Scholarship has not only blessed me financially, but it has also benefited me in terms of career resources. The Fund helped me attain my current summer internship because one of the interviewers was both a Providence College Alumni and married to a former Ouimet Scholar. This connection allowed her to gain a greater understanding of me as a person and feel more comfortable in her decision to accept me as her summer intern. Thank you!"

"The Ouimet Scholarship has significantly impacted me through its financial aid and career resource opportunities. Receiving the Ouimet Scholarship enabled me to focus more on schoolwork and less on paying for college, allowing me to make the dean's list three consecutive semesters. In addition to the financial benefit, the meaningful connections I've made with Ouimet donors has helped guide me to where I am today. Thank you!"

"Receiving the Ouimet Scholarship gave me an amazing opportunity to further my interest in my major at Bates College, and I was fortunate enough to receive an internship through the career portal. I interned at Baystate Financial for the summer of 2021 thanks to the Ouimet Career Portal, and words cannot describe how fortunate I am to be a part of it. Without this scholarship, I would have had a much more difficult time trying to find a job, especially coming out of a pandemic. Thank you!"

Outside Fundraising Events

New events this year:

THE MATCH AT THORNY LEA GOLF CLUB

Thorny Lea Golf Club and its leadership organized a unique event, similar to many of the popular celebrity matches that have been televised in the last 18 months. Called "The Match", this event raised over \$8,000.

In August, Shannon Johnson and Megan Buck competed against Matt Parziale and Steve Tasho in an exhibition match at Thorny Lea Golf Club.

Event organizer Jim Blue (left) enjoys post-golf festivities with participants, including Ouimet Director Marie Chalmers (center)

INSURANCE INDUSTRY OPEN

On October 13th, the first annual Insurance Open was held at Sacconnesset Golf Club and hosted by past president Jim Blue. The Fund was thrilled to be the beneficiary of this event, as creative outings like these allow need-based scholarships to grow each year.

Participants showed their support in the first annual Tom Riordan Golf Tournament.

TOM RIORDAN TOURNAMENT

Friends and family of the late Tom Riordan gathered for a tremendous day of golf at Sacconnesset Golf Club, which included members of their outstanding caddie program. The proceeds of this first annual event added to the Riordan Family endowed scholarship.

Memorial Donations Honor Many Friends

The Ouimet Fund has a full memorial donations program, which remembers people who have had golf as a favored pastime in their lives or a strong affinity to education for youth. Included in this list are several Ouimet supporters who died within the past year and ongoing gifts which remember people who passed away previously.

THE OUIMET FUND GRIEVES THE LOSS OF MANY FRIENDS

Charlie Austin loved the game of golf and served on the Ouimet Fund board of directors for many years serving enthusiastically within the Annual Banquet Committee alongside his good friend, Denny Goodrich. **Bob Bachman, Sr.** was a remarkable sportsman, salesman and family man who was the oldest living member of Brae Burn CC and played several rounds of golf with Francis Ouimet. An annual thrill for Bob was attending the Investing in Lifetimes Reception to meet the recipients of the Ouimet Endowed Scholarship in his name. **Audrey Brent** was the mother of Ouimet board member and former Development Chair of The Fund, Duffy Brent. Mrs. Brent was a passionate writer, valued education and was quite proud of the scholarship created in the name of her and her late husband, Irl D'Arcy Brent II, and she generously helped it grow each year. **Walter Fitzgerald** was a kind soul who was the former caddie master at Charles River Country Club and a lifelong advocate for young people working in golf and caddying. **Jim Gaquin** is the only person to have served on the executive staff of the PGA of America, USGA and Royal Canadian Golf Association. Since 1992, Jim ran the Cape Cod Open with his late wife, Lois, an event which benefited the Ouimet Fund annually. For their tremendous efforts, they were co-honorees of the Denny Goodrich Honorary Ouimet Alumnus Award in 2008. Jim was also the recipient of the Golf Writers Association of America's prestigious William D. Richardson Award for contributions to the game of golf. **Denny Goodrich** was a long-time board member, former Ouimet President, and a friend in golf, life and business to many. Anyone who met Denny always walked away with a smile, knowing how much he enjoyed life and the stories and experiences that could be shared with new friends. The Fund renamed its "Honorary Alumnus Award" after Denny, the inaugural recipient, and he also received the Richard F. Connolly, Jr. Distinguished Service Award in its debut year. He served on nearly every Ouimet Fund committee including chairing its first strategic plan in 2000, helped launch the Golf Marathon and was also the Ouimet Chair at Dedham C&PC for many years. In addition to his unending committee efforts, he recruited board members, created an endowed scholarship in his mother's name (Priscilla D. Ramsey), and he was deeply touched when his friends at Dedham C&PC created an endowed scholarship in his name. **Bob Griffin** was a lifelong athlete and passionate golfer, who was a fun, dear friend with all who had the pleasure to meet him. Bob and his wife Janet became passionate in support of the Ouimet Fund, creating an endowed scholarship in their names. He remained an active annual interviewer for the Ouimet Scholar applicant process. **Dr. Lee Othon** was a Ouimet Alumnus, long-time board member, former Ouimet Chair at Marshfield Country Club and a dedicated member of the Scholarship Committee who looked out for young men and women across the state to ensure they applied for the Ouimet Scholarship. He was a friendly face who would often pop in to the offices of Norton, MA to visit his friends on the staffs of both the Ouimet Fund and Mass Golf. **Virginia Stimets** was a long-time interviewer of the Ouimet Scholar applicants and a dedicated supporter of the two Ouimet endowed scholarships in the names of her late husband and former Ouimet Fund President, Dick Stimets, and their late son Rick Stimets.

Board of Directors and Staff

The Ouimet Fund Board of Directors is made up of passionate volunteers who are committed to the mission and expanding the impact. Within the Board is an Executive Committee, which works alongside our small and dedicated staff to drive and execute much of the strategic direction and accountability of the organization. The Executive Committee represents our many program-related committees and requires each Board member to serve on one or more committee annually. All groups meet frequently, leveraging the skills, industry, and passions of each committee member.
